Program

Bangladesh Freedom Foundation welcomes collaborative grant-making with similar foundations or other institutions for projects or initiatives that have shared goals, objectives and interests. Projects are evaluated according to criteria determined by the Board of Trustees.

BFF does not support any initiative or organization whose work is contrary to the principles of equality and respect for all religious, cultural and ethnic groups and does not support any form of religious, ethnic, sectarian, racial bigotry or extremism.

Since 2010, BFF has concentrated its focus towards Promoting Science Education at secondary level through partnership with registered local development organizations (NGO).

Grants

Bangladesh Freedom Foundation provides support to organizations registered with the Department of Social Welfare or NGO Affairs Bureau. Grant sizes range between Taka 400,000 to 800,000 per annum and are typically provided for a three year cycle with possibility for extension.

The Foundation is presently not soliciting any new proposals.
